Chinavasion CVAZ E74

Brief Introduction Beta 2.5	The standard portable Chinavasion CVAZ E74 LCD projector has 120 Ansi lumens, a contrast of 1000:1 and an SVGA 800 x 600 resolution. The manufacturer specifies a lamp life of 6000 hours, which is over 8.2 years if enjoyed for two hours every day. As Chinavasion specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. Due to the brightness of 120 Ansi lumens, a picture width of 95 cm is possible. In room light, the picture should be max. 63 cm wide. This model is no longer offered by Chinavasion.
Display Type	1 x 5" LCD Panel SVGA 4/3 Liquid Crystal Display
Ansi-Lumen	Projector: 120 2000 Lumen / Screen: 40 Lux (bei 200 cm Screen)
