

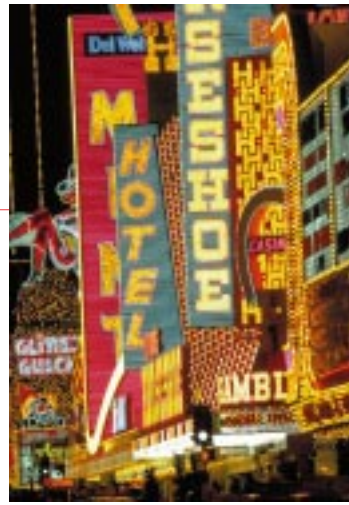
THE BOXLIGHT MP-350m PROJECTOR FOR SHOWSTOPPING SUPER BRIGHT PRESENTATIONS



When presentation stakes are high, place your bet on a winner—BOXLIGHT's MP-350m projector. Its ultra-bright 800 ANSI lumens and XGA resolution imaging produce rich, high-impact images that will dazzle any audience. This versatile projector has other aces up its sleeve, like its lightweight and easy-carry design, simple set-up, Auto-Sensing electronics and ultra-quiet operation. So trump the competition, place your order today for the MP-350m.

- 800 ANSI lumens for incredibly bright images–even with daylight streaming in.
- True 1024 x 768 XGA resolution for sharp details and breathtaking colors.
- A mere 9.5 lbs/ 4.3 kg and designed with an easy-carry handle, the MP-350m travels well.
- The world's quietest projector at only 32dB–half the noise of other projectors.

STEP UP TO BOXLIGHT©

16.7 million colors for rich, saturated colors that rival 35mm slides.

Cable Pro III system easily connects business computers and laptops with a single-cable connection.

Accomodates all resolutions— easy upsizing for SVGA and VGA, intelligent compression for SXGA.

Long-life, high-efficiency light source—120 watt UHP lamp with 2,000 hours of life.

Automatic image configuration Plug-and-project auto synchronization, tracking, and source detect.

Video compatibility PAL, SECAM, NTSC, NTSC 4.43, PAL.
