AOC T6 Plus

Brief Introduction Beta 2.5	The AOC T6 Plus LED LCD projector has 300 ANSI lumens, a contrast ratio of 12,000:1 and an HDTV resolution of 1280 x 720. It is an LED projector with a lamp life of 30,000 hours, which equates to over 20.5 years at 4 hours? use per day. As the projector features horizontal and vertical keystone correction, it can be set up with plenty of space in the room. An image width of up to 161 cm is possible. However, in well-lit rooms, the image should be set to a smaller size. We recommend a maximum of 107 cm. As the projector recognises AirPlay and Miracast screen mirroring signals, it is possible to stream high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). Furthermore, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen	Projector: 300 / Screen: 133 Lux (200 cm Screen width)
Contrast	Projector: 12000:1 / Screen: 12000:1
