3M™ Digital Media System

*700 and 800 Series**

3M Digital Media System 700, 710 and 800 feature Vikuiti™ Super Close Projection which displays **large**, **easily seen images** from a very short projected distance to the screen. The extreme short throw distance solves problems in architecturally challenging environments, **eliminating cabling issues**, and reducing room clutter. Vikuiti™ Super Close Projection features a **shorter projection beam** that **minimizes distracting shadows** and light. A 3M Digital Media System is the **perfect solution** for bright, clear images in almost any room.

3M Digital Media System 700

- Integrated Dolby 2.1 sound system
- Get a 50" image from as close as 19.4" from the screen
- Get a 100" image from as close as 44.9" from the screen
- Full computer and video connectivity

3M Digital Media System 710

- Includes built-in DVD player and USB Media Reader
- Integrated Dolby 5.1 sound system w/ sub woofer

3M Digital Media System 800

Perfect for use with the 3M™ Digital Board!

- Telescoping arm allows screen image from 50" - 85" diagonal
- Stereo Surround Sound
- Full computer and video connectivity

Vikuiti™ Super Close Projection

- Unique design enables applications that eliminate presenter shadows.
- Space saving design can eliminate the need for ceiling mounted projectors.
- Great for architecturally challenged rooms.

*Specifications subject to change.
