Acer M311

Brief Introduction Beta 2.5	A brief introduction to the Acer M311. The DLP projector has a WXGA 1280 x 800 resolution and a contrast of 20000:1. The manufacturer Acer specifies a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours a day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. The projector can illuminate images up to 682 cm wide thanks to its 4500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. It is also Full HD 1080P and 3D compatible. The projector was launched in 2022 and is no longer sold by the manufacturer.
