CTX PS 6200

Brief Introduction Beta 2.5	The PS 6200 LCD has 2000 Ansi lumens, a contrast of 400:1 and an XGA 1024 x 768 resolution. The projector can illuminate a picture width of up to 389 cm well thanks to the 2000 Ansi lumens. In room light, however, the image width should ideally be less than 259 cm. The projector is no longer sold by the manufacturer. It should also be noted that there are unfortunately no more replacement lamps for the projector, neither originals nor replicas.
