Epson USA PowerLite 470

3LCD | Kurzdistanz | WiFi Optional | Netzwerk | Mikro | USB

Brief Introduction Beta 2.5	The short-throw PowerLite 470 LCD has 2600 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. Thanks to the short throw projection ratio of just 0.33:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 66 cm away from the screen. The model offers a microphone jack plug and 16W speakers, so no additional audio equipment is required for presentations or training courses. The model built in 2012 is no longer offered by Epson USA.
Display Type	3 x 0,55" LCD TFT Panel XGA 4/3 Liquid Crystal Display
