Adapt ADPP 305

Media Player LED

Brief Introduction Beta 2.5	A brief introduction to the Adapt ADPP 305, the game-portable LCOS projector has an SVGA 800 x 600 resolution and 45 Ansi lumens. The integrated media player allows files to be played directly. Thanks to the built-in rechargeable battery, the projector does not require a power supply for 2 hours, so it can be set up spontaneously and easily anywhere. It is no longer offered by the manufacturer Adapt.
