FEATURES

Compact and lightweight, the **DUKANE ImagePro 8600** is ideal for the mobile presenter, or as a shared educational resource that needs to be easily transported. Featuring dual computer inputs and a monitor output the **ImagePro 8600** can accommodate two PC sources, two MAC sources, or PC and MAC simultaneously. The **ImagePro 8600** also has dual video inputs, both s-video and standard RCA type. The full featured IR remote control doubles as an "air mouse" and a laser pointer, freeing the presenter to move around and interact with the audience. The **ImagePro 8600** delivers high performance at an affordable price.
