Bright XGA portable

Business or home

HDTV compatible

BOXLIGHT

CP-310t

Now there's one projector that can do the work of **three**. The powerful **CP-310t** gives you the features you need for business travel, office use and home theater. Its bright **2000 lumens** and true 1024 x 768 **XGA** resolution let you present at the office with the lights on or off. On the road, this **8.6 pound** traveler sets up quickly with power zoom, power focus, true digital (DVI) computer connection and a laser pointer remote. And its optional Viewer unit can even make presentations **without a computer**. When business is done, the CP-310t has component video input and **HDTV compatibility** for superb home theater. With our lifetime **24/7 technical** support and rapid response time, you can count on this projector to **handle anything**.
