Compaq mp3130

COMPAQ MP3130

Brief Introduction Beta 2.5	The standard portable mp3130 DLP projector from Compaq has 1800 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. The projector can illuminate a picture width of up to 369 cm thanks to its 1800 Ansi lumens. In room lighting, however, the picture width should ideally be less than 246 cm. The model is no longer offered by Compaq. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.
