MediaLy LED G150

MEDIALY LED G150

Brief Introduction Beta 2.5	A brief introduction to the MediaLy LED G150. The standard portable LCD LED projector has a VGA 640 x 480 resolution and a contrast of 800:1. The manufacturer specifies an LED service life of 50,000 hours, which equates to 34.2 years with a daily viewing time of 4 hours. As MediaLy specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector can illuminate a picture width of up to 261 cm well with 900 Ansi lumens. In room lighting, however, the picture width should ideally be less than 174 cm. The projector is very quiet compared to others with an operating noise of 30 decibels. The projector is no longer sold by the manufacturer, but is still very popular in our projector database.
Display Type	1 x LCD TFT Panel VGA 4/3 Liquid Crystal Display
Ansi-Lumen	Projector: 250 / 15000 Lumen — Screen: 83 Lux (200 cm Screen width)
Contrast	Projector: 800:1 full on/off — Screen: 800:1 full on/off
Black Level	Projector: 1,1250 min. Lumen — Screen: 0,105 min. Lumen
