ZDSSY HY320 Mini

EAN/UPC:B0GG2N8TYC

Brief Introduction Beta 2.5	Manufacturer ZDSSY offers the HY320 Mini, a portable LCD LED projector for gaming with HDTV resolution of 1280 x 720 and a contrast ratio of 1500: 1. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours, which would equate to over 20.5 years at 4 hours? use per day. Files can be played directly via the built-in media player. An image width of up to 144 cm is possible. However, in brightly lit rooms, the image should be set to a smaller size. We recommend a maximum of 96 cm. The model recognises AirPlay and Miracast screen mirroring signals, making it possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). Furthermore, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. The model is also compatible with Full HD 1080p and 4K (compressed). At 25 decibels, the projector is very quiet compared to other models.
