Business

880X 3LCD 1080p Smart Portable Projector

Perfect for Business + Epic for Play

Display Stunning Images up to 300" — Full HD 1080p picture four times larger than a 75" flat panel delivers an immersive experience for business presentations, home viewing and beyond

Compact Design — Sleek lightweight design easily fits in backpacks for easy portability on the go; custom-fit carrying case included

Ultra Bright Images — 3,300 lumens of color and white brightness[1] deliver outstanding-quality images in a variety of lighting conditions

Best-in-Class Color Brightness[2] — Advanced 3LCD technology displays 100% of the RGB color signal for every frame, allowing for outstanding color accuracy while maintaining excellent color brightness without any distracting “rainbowing” or “color brightness” issues seen with other projection technologies

Smart Streaming Capability[3] — Latest Android TV® interface with a simple-to-use remote – including voice search with built-in Google Assistant™; watch all your favorite streaming channels including Netflix, Amazon Prime, Hulu, Disney+, HBO, YouTube™ and more; even stream live TV with apps like YouTube TV™[4]

Versatile for Virtual Meetings — Enhance meetings with detailed, life-sized images perfect for Zoom calls and Teams video conferencing; enjoy virtual hangouts with friends and family like they are in the room with you

Built-in Chromecast™[5] — Wirelessly cast your favorite content directly from your smart phone, tablet, or computer, including from popular Android™ and Apple® devices

All-Digital HDMI® Connectivity — Easily connect your laptop, cable/satellite box, Blu-ray Disc™ player, gaming console or streaming devices such as Roku, Amazon Fire TV, Apple TV® and Google TV™

Versatile Sound — Connect your favorite speakers via Bluetooth® for an immersive audiovisual experience; plus, a built-in speaker included

Built-in Picture Skew Sensor — Automatically analyzes the picture and corrects the vertical keystone for a square image
