Hitachi CP CX250

Brief Introduction Beta 2.5	The Hitachi model CP CX250 is an LCD projector with WXGA 1280 x 800 resolution and a contrast of 2000:1. Thanks to the short throw projection ratio of just 0.6:1, the projector does not disturb the room. For a 2m wide image, the projector only needs to be 120 cm away from the screen. Furthermore, the projector can play 1080P without any problems. On the market since 2013, the model is no longer offered by the manufacturer Hitachi.
