The standard portable Acer P1276 3D DLP projector has 3500 Ansi lumens, a contrast of 13000:1 and an XGA 1024 x 768 resolution. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which is over 4.8 years if enjoyed for two hours a day. 3500 Ansi lumens ensure that a picture width of 515 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 343 cm. It is also Full HD 1080P and 3D compatible. The model was built by Acer in 2013 and is no longer current.
