

Acer PD1325W

ACER PD1325W

Brief Introduction

Beta 2.5

The Acer PD1325W 3D LED DLP projector has 2000 Ansi lumens, a contrast of 2000000:1 and a WXGA 1280 x 800 resolution. The manufacturer Acer specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. The projector can illuminate a picture width of up to 454 cm thanks to its 2000 Ansi lumens. In room light, however, the picture width should ideally be less than 303 cm. It is also Full HD 1080P and 3D compatible. Even projection onto the ceiling is possible thanks to the 360° projection. With an operating noise of just 29 decibels, the model is already very quiet compared to others. It was launched in 2022 and is no longer offered by the manufacturer Acer.
