Optoma PS3102

A brief introduction to the Optoma PS3102. The standard portable DLP projector has an SVGA 800 x 600 resolution and a contrast of 20000:1. The manufacturer Optoma specifies a lamp life of 5000 hours, which is over 6.8 years if enjoyed for two hours a day. A picture width of up to 493 cm is possible. However, the picture should be smaller in room light. We recommend max. 329 cm. It is also Full HD 1080P and 3D compatible. At just 29 decibels, the device is one of the quieter projectors. It was launched on the market in 2015 and is no longer offered by the manufacturer Optoma.

Brief Introduction Beta 2.5
