Acer U5230

The Acer U5230 short-throw 3D BrilliantColor DLP projector has 3200 Ansi lumens, a contrast of 18000:1 and an XGA 1024 x 768 resolution. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. Thanks to the short-throw projection ratio of just 0.33:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 66 cm away from the screen. As the U5230 is equipped with a microphone jack and 16W speakers, no additional audio system is required for presentations or training sessions. The model is also Full HD 1080P and 3D compatible. It was launched in 2019 and is no longer offered by the manufacturer Acer.

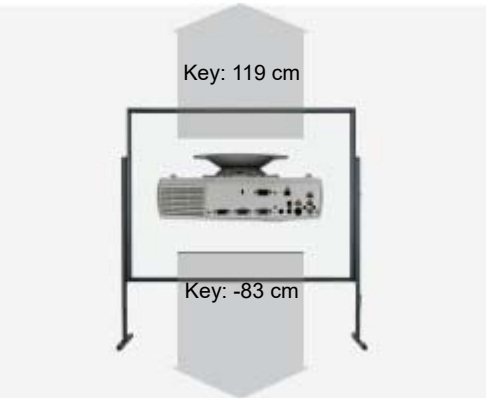

Brief Introduction Beta 2.5			
Display Type	1 x 0,55" DLP Chip XGA 4/3 Ti Digital Light Processing Chip		
	Projector		Screen
