With the X1528H, manufacturer Acer offers a standard portable DLP projector with HDTV 1920 x 1080 resolution and a contrast of 10000:1. The lamp life is up to 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 682 cm thanks to its 4500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. Playing 1080P and 3D is also no problem for the projector. On the market since 2021, the model is no longer offered by the manufacturer Acer.
