

Acer X1626H

ACER X1626H

The standard portable X1626H 3D BrilliantColor DLP projector from Acer has 4000 Ansi lumens, a contrast of 10000:1 and a WUXGA 1920 x 1200 resolution. The service life of the lamp is up to 14000 hours, which is equivalent to 19.2 years at 2 hours per day. A picture width of up to 643 cm is possible, if the picture width is smaller (we recommend max. 429 cm), rooms with residual light are also no problem. The HDMI MHL (Mobile High-Definition Link) port allows 1080p / 60 Hz image mirroring (screen mirroring) to be transmitted from the smartphone while it is being charged at the same time via the connection. It is also Full HD 1080P and 3D compatible. With only 30 decibels of operating noise, the model is already very quiet compared to others. The model built in 2018 is no longer offered by Acer.
