

ALINORE Star Mini

ALINORE STAR MINI

The Star Mini LED LCD Projector from ALINORE has 2,000 ANSI lumens, a contrast ratio of 20,000:1 and an HDTV resolution of 1,920 x 1,080. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours, which would equate to over 20.5 years based on four hours use per day. Built-in horizontal and vertical keystone correction gives you flexibility when setting up the projector. The projector can effectively illuminate an image width of 454 cm. However, if there is ambient light in the room, the image width should ideally not exceed 303 cm. The projector supports AirPlay, Miracast screen mirroring support, which allows high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. The model is also compatible with Full HD 1080p and 4K (compressed).
