Viewsonic LSC520WU

EAN/UPC:0766907029161

Brief Introduction Beta 2.5	A brief introduction to the Viewsonic LSC520WU. The standard portable LCD laser projector has a WUXGA 1920 x 1200 resolution and a contrast of 3000000:1. Due to the laser, the projector is specified with 20000 hours of light life, which converts to over 13.7 years at 4 hours per day. The projector also offers a lens shift function for flexible projection adjustment without loss of quality. 628 cm image width, the projector will be able to illuminate well. The projector can manage rooms with residual light with a smaller image width, we recommend a maximum of 419 cm here. Even 1080P video signals are no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection.
Display Type	3 x 0,64" LCD Panel with MLA WUXGA 16/9 Liquid Crystal Display with Micro Lense Array
Ansi-Lumen	Projector: 5200 / Screen: 2311 Lux (bei 200 cm Screen)
