AOC RC6

EAN/UPC:B0G13K3L6Y

Brief Introduction Beta 2.5	The AOC RC6 model is an LCD LED projector with HDTV resolution of 1280 x 720 and a contrast ratio of 10,000:1. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours, which would equate to over 20.5 years based on 4 hours? viewing per day. Built-in horizontal and vertical keystone correction offers flexibility when setting up the projector. The projector is capable of illuminating an image width of 161 cm effectively. However, if there is ambient light in the room, the image width should ideally not exceed 107 cm. As the projector recognises AirPlay, Miracast and screen mirroring signals, it is possible to stream high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet, PC (Android, Windows and iOS) via Wi-Fi. Another bonus worth mentioning is that the projector?s Bluetooth function allows it to be connected to external wireless speakers. The projector also has no problem playing 1080p and 4K (compressed) content.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Projector: Ansi-Lumen	250
Projector: Contrast	10000:1
Projector: Black Level	0,0250 min. Lumen
