AOC VS6Pro

EAN/UPC:B0G13LXFLM

A brief introduction to the AOC VS6Pro. This standard portable LCD LED projector has an HDTV resolution of 1920 x 1080 and a contrast ratio of 10,000:1. Thanks to its LEDs, the projector has a lamp life of up to 30,000 hours, which would amount to over 20 5 years. As the projector features horizontal and vertical keystone correction, it can be set up with plenty of space around it in the room. 500 ANSI lumens ensure that an image width of 161 cm is possible. However, if there is ambient light in the room, the image should be no more than 107 cm wide. The projector supports AirPlay and Miracast screen mirroring, enabling high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. Furthermore, it is compatible with Full HD 1080p and 4K (compressed).

Brief Introduction

Beta 2.5
