

ASK Proxima E1610W

ASK PROXIMA E1610W

The stationary E1610W LCD projector from ASK Proxima has 6100 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. 794 cm image width the projector will be able to illuminate well. The projector can manage rooms with residual light with a smaller image width, we recommend a maximum of 529 cm here. Playing 1080P is also no problem for the projector. Even projection onto the ceiling is possible thanks to the 360° projection. On the market since 2012, the model is no longer offered by the manufacturer ASK Proxima.

Brief Introduction

Beta 2.5
