

ASK Proxima E1655W

ASK PROXIMA E1655W

The E1655W LCD projector from ASK Proxima has 6000 Ansi lumens, a contrast of 1000:1 and a WXGA 1280 x 800 resolution. With the lens shift function, the projector can be positioned very freely. Thanks to the brightness of 6000 Ansi lumens, a picture width of 787 cm is possible. The projector can also handle slightly brighter rooms with a narrower image width (we recommend max. 525 cm). It was launched on the market in 2011 and is no longer offered by the manufacturer ASK Proxima.
