

ASK Proxima S3307W

ASK PROXIMA S3307W

Brief Introduction

Beta 2.5

The short-throw S3307W LCD projector from ASK Proxima has 3000 Ansi lumens, a contrast of 4000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. With a projection ratio of just 0.48:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 96 cm away from the screen. If the image width is not sufficient, the projector offers integrated edge blending software, which allows several projectors to project a large image together. It was launched on the market in 2014 and is no longer offered by the manufacturer ASK Proxima.

Display Type

3 x 0,59" LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Ansi-Lumen

3000

1200 Lux (bei 200 cm Screen)
