ASK Proxima S430

3LCD | Kurzdistanz | Edge Blending | Netzwerk | USB

Brief Introduction Beta 2.5	The S430 LCD has 3600 Ansi lumens, a contrast of 8000:1 and an XGA 1024 x 768 resolution. The lamp life is specified by the manufacturer as 10000 hours, which converts to over 13.7 years at 2 hours per day. The horizontal and vertical keystone correction allows the projector to be positioned very freely. With a projection ratio of just 0.47:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 94 cm away from the screen. In the event that the image is still too small, the projector offers integrated edge blending software, with which several projectors can project a large image together. This model is no longer offered by ASK Proxima.
Display Type	3 x 0,63" LCD TFT Panel XGA 4/3 Liquid Crystal Display
Ansi-Lumen	3600 (Projector) / 1200 Lux (bei 200 cm Screen) (Screen)
