A brief introduction to the FP 95t: The Boxlight LCD projector offers 2300 Ansi lumens, a contrast of 350:1 and an SXGA 1280 x 1024 resolution. The projector will be able to illuminate a screen width of 406 cm well. However, if room light is available, the picture width should ideally not exceed 271 cm. The projector is no longer sold by the manufacturer. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.
