Boxlight Pro3000

3LCD Bild im Bild USB

Brief Introduction Beta 2.5	A brief introduction to the Pro3000: The boxlight LCD projector offers 3000 Ansi lumens, a contrast of 500:1 and an XGA 1024 x 768 resolution. Horizontal and vertical keystone correction makes setting up the image childs play. 3000 Ansi lumens ensure that a picture width of 477 cm is also possible. However, if room light is available, the picture should be a maximum of 318 cm wide. The projector was launched in 2006 and is no longer sold by the manufacturer. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.
