

CineVersum BlackWing Two MK2014

BLACK WING 3D

The CineVersum BlackWing Two MK2014 high-end home cinema 3D DILA projector has 1300 Ansi lumens, a contrast of 120000:1 and a UHD (4K2K) 3840 x 2160 resolution. The manufacturer CineVersum specifies a lamp life of 4000 hours, which would be over 5.5 years with a daily viewing time of 2 hours. With the lens shift function, the projector can be positioned very freely. An image width of up to 366 cm is possible. However, the image should be smaller in room light. We recommend max. 244 cm. Furthermore, the projector can play 1080P and 4K as well as 3D without any problems, and thus all currently offered Blu-ray formats can be recognized by the projector. The operating noise of just 19 decibels makes the projection quiet. The model was built by CineVersum in 2014 and is no longer current.

3 x 0,7" DILA Chip
