CTX UltraVision Projector Series

> PS-5100 LCD Projector >

Brilliant and Cool Performance

This projector is powered by 1000 lumens of light. That is perfect for rooms with ambient light, small auditoriums and almost anyplace you will ever have to present in.

Exclusive Image Manager

Set the projector to optimize your presentation for high quality graphics, crisp spreadsheets, rich color charts, and striking pictures with the mere touch of a button.

Up to 4000 hours of lamp life

Up to 2 times the lamp life of most projectors!

Portable Design

Only 8 lbs. You can carry it anywhere.
