

Dangbei N2 Mini

DANGBEI N2 MINI

Brief Introduction

Beta 2.5

The Dangbei N2 Mini is an LCD LED projector with HDTV 1920 x 1080 resolution and a contrast ratio of 2000:1. It is an LED projector with a lamp life of 30,000 hours, which would equate to over 20.5 years based on 4 hours of daily use. Horizontal and vertical keystone correction ensures effortless image setup. Since Dangbei specifies the projector's brightness in lumens, we have calculated an approximate ANSI lumen value in this case. An image width of up to 161 cm is possible, as the projector has 250 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 107 cm. The projector supports AirPlay and Miracast screen mirroring, which allows for the direct playback of high-resolution videos and surround sound via Wi-Fi from smartphones, tablets, and PCs running Android, Windows, or iOS. In addition, the Bluetooth capability is a useful feature for the projector, especially for wireless audio transmission. The model is also Full HD 1080p compatible. At just 26 decibels, the device is among the quieter projectors.

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

250 / 200 ISO Lumen

111 Lux (200 cm Screen width)
