Dell Interactive Projector- S560P

Dell Conference Room and Classroom Displays

Engaging interactions. Enhanced presentations.

Captivation meets collaboration.

From classrooms to conference rooms, the S560P offers versatility and user-friendly features so you can keep audiences enthralled and interacting.

- **Versatile projection:** Turn virtually any wall or whiteboard into a 100" interactive touch screen.
- **Sketching made simple:** Enjoy a natural, easy writing or drawing experience during presentations with the included IR pens.
- **Sketching made simple:** The included styluses make it easy to write or draw during presentations.
- **Project brilliantly:** Full HD 1080p resolution, 3,400 ANSI lumens and a 16:9 aspect ratio means that text and images will be displayed with crystal clarity.
- **Superior sound:** Two 10W integrated speakers provide high-performance audio and enhanced presentations

Simple Setup. Convenient Connections.

Fast setup, user-friendly compatibility and wireless options make it easy to connect and start projecting from different devices.

- **Flexible connection:** Plug and play from multiple devices, allowing users with different systems to easily connect.
- **Convenient compatibility:** The S560P is compatible with both Chromebooks and Chrome OS.
- **Smooth transition:** Make the S560P an easy integration into the classroom or boardroom by using your existing whiteboard and dry-erase markers.
- **Start it up:** Start projecting immediately with fast and easy calibration right out of the box.
- **Wireless option:** Project wirelessly via the optional wireless dongle (sold separately).

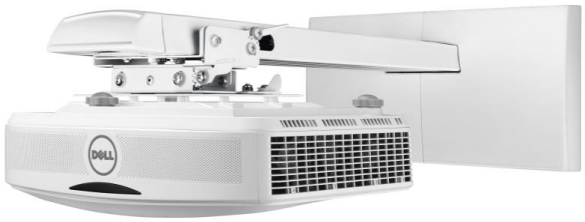

Advanced reliability and support

- **Long-lasting performance:** The S560P is built for reliable and durable performance, delivering consistent quality images day after day, for worry-free presentations.
- **Exceptional support:** The Dell Interactive Projector | S560P includes a 2-year Advanced Exchange Service and Limited Hardware Warranty for the projector unit, with available options for extendable warranty. Your purchase also includes 24/7 online and telephone technical support.
