

Delta AV 2618 Plus

DELTA AV 2618 PLUS

Brief Introduction

Beta 2.5

A brief introduction to the AV 2618 Plus: The Delta DLP projector offers 1550 Ansi lumens, a contrast of 2000:1 and SVGA 800 x 600 resolution. The projector will be able to illuminate a picture width of 343 cm well. However, if room light is available, the image width should ideally not exceed 229 cm. This model is no longer offered by Delta. It should also be noted that there are unfortunately no longer any replacement lamps available for the projector, neither originals nor replicas.
