DENVER PR-2720

DENVER PR-2720

Brief Introduction Beta 2.5	With the PR-2720, manufacturer DENVER offers an LCD LED projector with HDTV 1280 x 720 resolution and a contrast ratio of 2500:1. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours, which would amount to over 20.5 years based on 4 hours of daily use. The projector also features a built-in media player that allows files to be played directly. Horizontal and vertical keystone correction provides flexibility during setup. With its 175 ANSI lumens, the projector can effectively illuminate an image width of up to 144 cm. However, in room lighting conditions, the image width should ideally be less than 96 cm. The projector supports AirPlay and Miracast screen mirroring, which allows for the direct streaming of high-resolution videos and surround sound via Wi-Fi from smartphones, tablets, and PCs running Android, Windows, or iOS. Another notable feature is that the projector can be connected to external wireless speakers via Bluetooth. The model is also Full HD 1080p compatible. With an operating noise level of just 25 decibels, the projector runs quietly.
Display Type	1 x LCD TFT Panel HDTV 16/9 Liquid Crystal Display
Projector Ansi-Lumen	175
Contrast	2500:1 full on/off
Black Level Offset	0,0700 min. Lumen
Screen	78 Lux (200 cm Screen width) 2500:1 full on/off 0,031 min. Lumen
Resolution	HDTV 1280 x 720 921.600 Pixel HDTV 1920 x 1080 compressed
