Doingdo DD-P3

EAN/UPC:B0HHRP7SFV

Brief Introduction Beta 2.5	The Doingdo DD-P3 LED LCD projector has 300 ANSI lumens, a contrast ratio of 10,000:1, and an HDTV resolution of 1280 x 720. Thanks to the LEDs, it has a lifespan of 30,000 hours, which would amount to over 20.5 years if used for 4 hours a day. The built-in media player can play files directly. Horizontal and vertical keystone correction makes image setup a breeze. With 300 ANSI lumens, a screen width of up to 124 cm is possible. However, if there is ambient light in the room, the image should be no wider than 83 cm. The projector supports DLNA, AirPlay, and Miracast screen mirroring, allowing you to stream high-resolution videos and surround sound directly via Wi-Fi from smartphones, tablets, and PCs running Android, Windows, or iOS. Another notable feature is that the projector?s Bluetooth function allows it to connect to external wireless speakers. Even 1080p video signals are no problem for the projector.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
