ELITE PROJECTOR MOSICGO® 360

The Elite Projector MosaicGO 360 Sport short-throw LED DLP projector has 1000 Ansi lumens, a contrast of 20000:1 and an HDTV 1920 x 1080 resolution. The manufacturer Elite Projector states a service life of 25000 hours, which is equivalent to over 17.1 years at 4 hours per day. The horizontal and vertical keystone correction provides leeway when setting up. As it is a short throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector only needs to be positioned 60 cm away from the screen. Thanks to the built-in 372,000mAh battery, no power supply is required, allowing the projector to be set up quickly and flexibly. The model is also Full HD 1080P compatible.
