Elmo EDP 3700

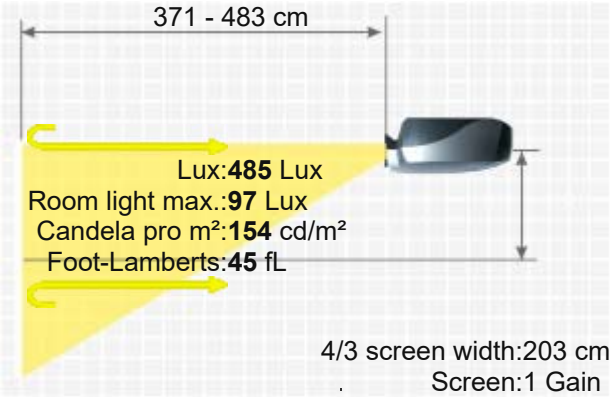

3LCD Motor Pointer

Brief Introduction Beta 2.5	With the EDP 3700, manufacturer Elmo offers an LCD projector with SVGA 800 x 600 resolution and a contrast of 250:1. 1500 Ansi lumens ensure that a picture width of 337 cm is also possible. However, if room light is available, the picture should be a maximum of 225 cm wide. It is no longer offered by the manufacturer Elmo. It should also be noted that, unfortunately, there are no longer any replacement lamps for the projector, neither original nor replica.
