Excelvan CL760

EXCELVAN CL760

Brief Introduction Beta 2.5	A brief introduction to the Excelvan CL760. The standard portable LCD LED projector has a WXGA 1280 x 800 resolution and a contrast of 2000:1. The service life of the LEDs is 50,000 hours, which is over 34.2 years if enjoyed for four hours a day. With the lens shift function, the projector can be positioned very freely. As Excelvan specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 141 cm image width, the projector will be able to illuminate well. However, if there is room light, the picture width should ideally not exceed 94 cm. It is also Full HD 1080P compatible. This model is no longer offered by Excelvan.
Display Type	LCD TFT Panel WXGA 16/10 Liquid Crystal Display
Projector: Ansi-Lumen	192 / 3200 Lumen
Projector: Contrast	2000:1
Projector: Black Level	0,0960 min. Lumen
Screen	77 Lux (200 cm Screen width)
Screen	2000:1
Screen	0,039 min. Lumen
