Excelvan Q6

Brief Introduction Beta 2.5	With the Q6, manufacturer Excelvan offers an LED projector with SVGA 800 x 600 resolution and a contrast of 1000:1. The service life of the LEDs is 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. As Excelvan specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector can illuminate a screen width of up to 91 cm well with 108 Ansi lumens. In room lighting, however, the picture width should ideally be less than 61 cm. It is also Full HD 1080P compatible. This model is no longer offered by Excelvan, but is still a very popular projector.
Display Type	[redacted] -
Projector: Ansi-Lumen	108 / 1800 Lumen
Projector: Contrast	1000:1
Projector: Black Level	0,1080 min. Lumen
