Emotn C1

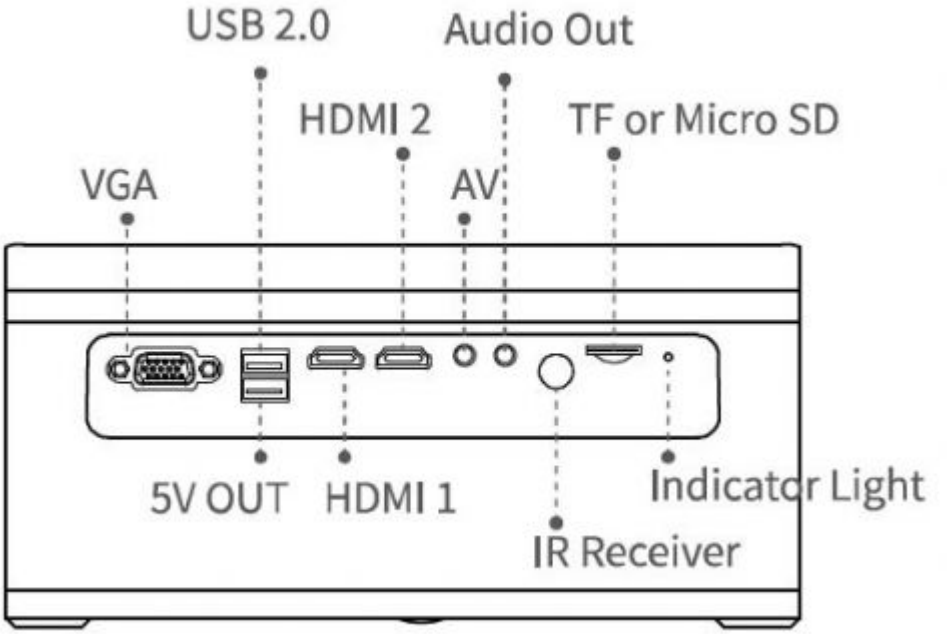

Brief Introduction Beta 2.5	The Emotn C1 standard portable LED LCD projector has 130 Ansi lumens, a contrast of 5500:1 and an HDTV 1280 x 720 resolution. The manufacturer specifies an LED service life of 50,000 hours, which is over 34.2 years with a daily viewing time of 4 hours. A picture width of up to 116 cm is possible as the projector has 130 Ansi lumens. However, if room light is available, the picture should be max. 77 cm wide. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Even 1080P video signals are no problem for the projector. The operating noise of just 28 decibels makes the projection quiet. On the market since 2021, the model is no longer offered by the manufacturer Emotn.
Display Type	3 x LCD TFT Panel HDTV 16/9 Liquid Crystal Display
Projector: Ansi-Lumen	130
Projector: Contrast	5500:1 full on/off
Projector: Black Level	0,0236 min. Lumen
