Epson USA Pro Cinema 6040UB

The Epson USA Pro Cinema 6040UB 3D LCD projector has 2500 Ansi lumens, a contrast of 1000000:1 and a UHD (4K2K) 3840 x 2160 resolution. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which is over 4.8 years with a daily viewing time of 2 hours. The projector also offers a lens shift function, which makes image adjustment childs play. 2500 Ansi lumens ensure that a picture width of 508 cm is also possible. However, if room light is available, the picture should be a maximum of 339 cm wide. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, meaning that all Blu-ray formats currently available can be recognized by the projector. The operating noise of just 24 decibels makes the projection quiet. The projector was launched in 2016 and is no longer sold by the manufacturer.

Brief Introduction Beta 2.5
