Epson EB-L200SW

Brief Introduction Beta 2.5	With the EB-L200SW, manufacturer Epson offers a short-throw LCD laser projector with WXGA 1280 x 800 resolution and a contrast of 25000000:1. The manufacturer Epson specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. The horizontal and vertical keystone correction provides leeway when setting up. With a projection ratio of just 0.48:1, this projector never gets in the way. For a 2m wide image, the projector needs to be just 96 cm away from the screen. As the projector recognizes Miracast screen mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. The projector can also play 1080P and 4K (compressed) without any problems. On the market since 2022, the model is no longer offered by the manufacturer Epson, but is still very popular in our projector database.
Display Type	3 x 0,59" LCD Panel mit C2 Fine WXGA 16/10 Liquid Crystal Display
Ansi-Lumen	Projector: 3800 / 2660 Lumen ECO — Screen: 1520 Lux (200 cm Screen width)
Contrast	Projector: 25000000:1 full on/off — Screen: 25000000:1 full on/off
Black Level	Projector: 0,0002 min. Lumen — Screen: 0 min. Lumen
