Epson EB-S400

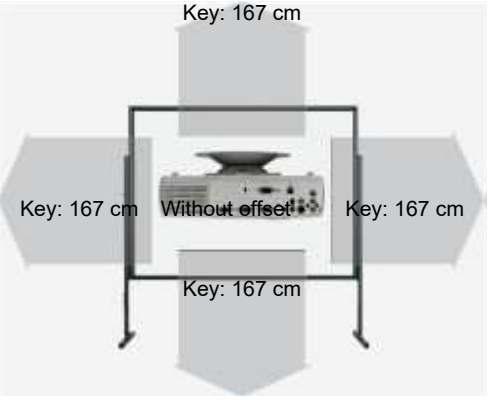

EPSON EB-S400

Brief Introduction Beta 2.5	The standard portable EB-S400 3D LCD projector from Epson has 3200 Ansi lumens, a contrast of 15000:1 and an SVGA 800 x 600 resolution. The manufacturer Epson specifies a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours a day. The integrated media player allows files to be played directly. The horizontal and vertical keystone correction allows the projector to be positioned very freely. 3200 Ansi lumens ensure that a picture width of 493 cm is also possible. However, if room light is available, the picture should be max. 329 cm wide. Even 1080P video signals are no problem for the projector. The projector was launched in 2017 and is no longer sold by the manufacturer.
