The standard portable PowerLite W8+ LCD projector from Epson USA has 2500 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies a lamp life of 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. Horizontal and vertical keystone correction makes setting up the picture childs play. The projector can illuminate a picture width of up to 508 cm thanks to its 2500 Ansi lumens. In room lighting, however, the image width should ideally be less than 339 cm. This model is no longer offered by Epson USA.
