

Eroshoo HY260 Pro

EAN/UPC:B0F1TQ9BX8

EROSHOO HY260 PRO

The Eroshoo HY260 Pro short-throw LED LCD projector has 400 ANSI lumens, a contrast ratio of 10,000:1 and an HDTV resolution of 1920 x 1080. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours ? which, at four hours? use per day, equates to over 20.5 years. Horizontal and vertical keystone correction ensures that setting up the image is child?s play. With a throw ratio of just 0.8:1, this projector never gets in the way. To project a 2-metre-wide image, the projector needs to be positioned just 160 cm from the screen. Thanks to the built-in Android TV software, it offers direct access to a wide range of streaming services such as Netflix, Disney+, Amazon Prime Video and YouTube, as well as games and other interactive content. As the projector recognises AirPlay and Miracast screen mirroring signals, it is possible to play videos directly from a smartphone, tablet or PC (Android, Windows and iOS) via Wi-Fi in high resolution with surround sound. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. Furthermore, it is compatible with Full HD 1080p and 4K (compressed).
