

Everest SX 862

The Everest SX 862 LCD projector has 2500 Ansi lumens and an XGA 1024 x 768 resolution. A picture width of up to 435 cm is possible. However, the image should be smaller in room light. We recommend max. 290 cm. The projector offers an interactive whiteboard function for interactive training courses and presentations. On the market since 2009, the model is no longer offered by the manufacturer Everest, but is still a popular projector in our database.
