

Everest U540W

EVEREST U540W

Brief Introduction

Beta 2.5

The Everest U540W DLP projector has 4000 Ansi lumens, a contrast of 11000:1 and a WXGA 1280 x 800 resolution. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector needs to be just 54 cm away from the screen. The model offers a microphone jack plug and 10W speakers, so no additional audio equipment is required for presentations or training courses. The model is also Full HD 1080P compatible. It was launched in 2017 and is no longer offered by the manufacturer Everest.
